### **Ingredients and Excipients for Compounding**

[https://pharmacy.medicaid.ohio.gov/sites/default/files/Compounding\\_April\\_2021.pdf](https://pharmacy.medicaid.ohio.gov/sites/default/files/Compounding_April_2021.pdf)

The Statewide PDL is not an all-inclusive list of drugs covered by Ohio Department of Medicaid.

Medications that are new to market will be non-preferred until reviewed by Ohio Department of Medicaid's Pharmacy and Therapeutics Committee.

The list is set up in sections defined by therapeutic class. Products are listed by generic name if the generic is available. In most cases, a brand-name drug for which a generic product is available will be non-preferred. Some medications may require a specific manufacturer or the brand to be dispensed

Ohio Department of Medicaid will not cover medications not part of the Medicaid Drug Rebate Program unless indicated.

## **UPDL Legend**

- AR** (Age Restriction) - An age edit allows claims for members within a defined age range to adjudicate without authorization
- BvG** (Brand Preferred Over the Generic) - The brand name medication is preferred over the generic equivalent
- PA** (Clinical Prior Authorization) - A prior authorization is required before the medication will adjudicate
- QL** (Quantity Limit) – A limit on the quantity that can be covered within a given time frame
- ST** (Step Therapy) - Medications require a trial with one or more preferred products before approval

## Table of Contents

Analgesic Agents: NSAIDS.....	5
Analgesic Agents: Gout .....	5
Analgesic Agents: Opioids.....	5
Blood Agents: Blood Formation, Coagulation, and Thrombosis Agents: Hematopoietic Agents.....	6
